GPAMA
11 May 2016

The meeting was called to order at 1834. Four people attended the meeting, including two officers. The minutes from the March 2016 meeting were not available for final review. Minutes from April 2016 were read and accepted as read. No Treasurer's report was given; it was noted that no known expense or donation occurred in the last month. There was no Green Councillor report.

The debate and follow-up were briefly discussed. Ward shared some follow-up regarding the problem with sound. Audience follow-up was that they were happy with questions and discussion. There was opinion shared that the video was an improvement over the live event sound-wise.

Follow-up regarding the state meeting included discussion of the irregularities with eligible voters and candidates. Wilson offered that other organizations of which he is a member require pre-registration of delegates. The group voted to give the GPAMA officers the authority to decide whether or not to challenge all of the votes and invalidate the elections.

Discussion regarding the web presence resulted in the following plans: change the logo background from black to white on the Facebook page and g-mail account, add a direct link on the weebly site to the new web site, and add officer names to the web site. Also the URL will be changed on the letterhead.

The point was raised to check with Treasurer Mudd about putting the EIN in PayPal. Regarding future meetings, there was a discussion about changing the venue. It was decided to stick with Wednesday evenings, 6:00 p. m. or later. Ward will check with Mudd with respect to a preferred Wednesday, e. g., first or second. Yost will check on hours at CNM library, and Wilson will check on Zimmerman library. Ward will check to see if the SUB is available in June.

The meeting adjourned at 20:38.
