

GPAMA Meeting
July 12, 2018
The Source

Call to Order at 1849. Quorum attained. June minutes not available. Treasurer report not available.

The letter to the NRC regarding the proposed spent-fuel waste storage facility in Lea County was discussed at length. It was determined that Artie and Em will edit the letter and give to Stephen for review.

Regarding the glyphosate petitions, Roger has five sheets that were sent to the P. O. Box and will enter them into a spreadsheet. Em will send the spreadsheet with headings for Roger to use.

Workshops at the Annual National Meeting were discussed. Requests were made for the delegates to attend Overpopulation, Organic Outreach, and Local Media.

Transportation to the Green Council meeting on July 28 was discussed. Artie may be able to drive others to Taos.

Discussion on Move to Amend was moved to a future meeting.

Em reported that GPAMA received a request to participate in National Referendum and checked out the web site which did not instill confidence. There was agreement the GPAMA would not respond.

Meeting adjourned at 1934.
