Old Business:

1. May 8 Event--Em was notified that the library has cancelled all events through May. After discussion, we decided to try to put a video together with material we already have and consider holding the live panel during the fall semester. Stephen will send additional name information to GPAMA; Em will contact partners and participants.
2. Holtec--Public Comment to the EIS is open. Deadline is May ¿25? We agreed that it would be good for GPAMA to submit a comment. Need someone to take the lead. Em will e-mail the document link to attendees.

New Business: We discussed the issue of real estate contracts being extrajudicial and therefore leaving people vulnerable to eviction or default if unable to make payments during the pandemic. Stephen will draft a letter (LTE) and submit to GPAMA for review; he will be contact person.

Meeting adjourned at 1902.
