Minutes

Meeting called to order at 1816. Quorum present (EW, SV, MM, FC). Minutes for March and April approved. Treasurer's report not available. There was a brief discussion about the recent state convention and a reminder about the Special Convention for the Platform.

Old Business: 1) UNM Protest Event. EW reported current trailer video draft number five. Had to re-do music because of difficulty obtaining synch licenses. MM provided names of musicians who may be willing to record music for video. SV reported that National Guard (General Baca) still has not responded. Video editor requested that video be submitted to contest for students. No objection to contest submission. 2) Holtec EIS available for public comment. Deadline extended to July(?). FC will take lead on looking over EIS and drafting comment. 3) Real estate contract issue--SV made contact with Center for Law & Poverty. Effort still in progress.

New Business: SV discussed campaign and outlined effort to get signatures at early voting station and other voting sites on primary day and slow-going in parks.

Announcements/Other: SV reported being advised that the National Committee decided that positions on various committees should be re-approved.

Meeting adjourned at 1909.
