20 October 2021

Meeting called to order at 1826. Quorum present (EW, RY, RJS, MM, ASR). Minutes for August approved as sent. Treasurer reoprted \$406,83 in the checking account, \$2.10 in petty cash, ? in PayPal. CFIS report filed.

Green Council report was that there was a lack of quorum for the GC meeting, so it became a Steering Committee meeting (for which there was a quorum). There was a discussion about the invitation from the Pirate Party to join their on-line protest.

Old Business:

1. Petitioning. This is starting to lag a bit. **We will get two markets this coming week: RY & EW in Corrales and EW & ASR at the Railyard.** RJS raised the possibility of using a Facebook ad for people to meet up with a petitioner. This may be useful for Santa Fe and Las Cruces.
2. GGA webinars. There is one on November 3, 6:00 p. m. local time with the topic of Agriculture as a Weapon of Domination. **ASR will be the GPAMA rep on this and give the two-minute presentation; he will also contact GGA to let them know.**
3. Redistricting maps. EW reported that a favoured map did not get adopted. At this point, our role is to let legislators know that the citizen maps should be considered above back-door deal maps.

New Business:

1. Request to join on-line discussion group. GPAMA invited to join a moderated on-line political discussion group that can get very heated an intense. **ASR will find out if people may join as individuals.**
2. Protest with VFP. **There will be a protest on Friday, November 5, from 4:00 p. m. to 5:30 p. m. outside KAFB at Louisiana & Gibson. EW will take the GPAMA banner.** A similar protest with VFP and LASG will take place in Santa Fe outside the Capitol at noon. **We will put this information on Facebook.**

Announcements:

1. LEAF rally & march, Friday, October 29 at UNM. MM plans to attend. **EW will get permission to petition.**
2. Climate Action Film Festive , October 30 on channel 27 or Zoom, 11am-6pm
