Old Business.

- 1) Discussion about statewide redistricting occurred with report that Fair Districts New Mexico is following the effort to get a resolution through the legislature to put an Independent Redistricting Committee on the 2022 ballot.
- 2) PG reported on the effort to find an alternative to PayPal (concerns raised about the company excluding Palestinians from using its services) and recommended continuing with PayPal for now as he received no response from various groups supportive of Palestinian rights or found that those groups used PayPal. He will update the group if he learns new information.
- 3) **We voted to continue co-sponsoring Gateway Green webinars in 2022. MM will give our two-minute statement on military contamination of water in New Mexico at the webinar on February 2.**
