Meeting called to order with quorum present (EW PG MM). March minutes approved as sent. Treasurer reported \$392.05 in checking and \$5 in savings.

Petitioning options were discussed with a plan to have a table at the UNM Sustainability Expo--tasks were divided. We will also cover the Corrales Market and Run for the Zoo locally and discussed trips to Santa Fe, Taos, and Silver City.

We discussed the next GGA webinar (Ukraine) and put the notice on our FB page.

Follow-up on previous items was given: Nuclear Treaty Resolution was defeated at City Council. The deadline for RECA renewal is this summer, and it still does not cover Downwinders.

Miscellaneous item discussed: GPUS, as yet, has not connected with the MM and PG about being National Rep and Alternate for GPNM.

Meeting was adjourned at 1925.
